

All your base are belong to us

The content of this page has been slightly adapted from the Wikipedia page on All your base are belong to us.

"All your base are belong to us" is an Internet meme based on a poorly translated phrase from the opening cutscene of the Japanese video game Zero Wing. The phrase first appeared on the European release of the 1991 Sega Mega Drive / Genesis port of the 1989 Japanese arcade game.

By the early 2000s, a GIF animation depicting the opening text became widespread on web forums. A music video accompanied by an EDM remix of the clip, originally posted on the comedy forum Something Awful, gained popularity and became a derivative Internet meme in its own right. The original meme has been referenced many times in media outside of the forums.
